THE MANAGER SAYS...

"I'M ON TRIAL"

When I was invited to return to Home Park as manager I had no reservations about accepting the appointment without a contract.

So much importance is placed on negotiating contracts in professional football that many people were probably surprised by my attitude.

But it didn't seem that unusual to me. As a newcomer I'm very much on trial and am quite happy to be judged on that basis.

My first signing Tony Kellow has joined us on very much the same basis. He has signed a contract but only until the end of the present season.

Like me he also accepts that he is on trial but he is confident in his own ability and believes his move here will give his career a new lease of life.

That's the approach I welcome and I am delighted he agreed to sign for us. He's a 100 percent PLUS player through and through and you can't have enough of his type around. It won't be long, I am sure, before our supporters appreciate those special Kellow qualities that made him such a great favourite with Exeter City supporters.

After our victory at Port Vale the players were as disappointed as I was that we didn't pick up three more points at Brentford last weekend.

We always looked capable of winning but were let down by two bad goals and failed to make the maximum use of all our promising attacking play.

Let's hope we can change that trend to our advantage here today and also make up for the disappointment of our last home performance against Sheffield United.

Our Visitors today..

SIMON FARNWORTH—(*Goalkeeper*) Coached enthusiastically by Charlie Wright, Simon has been waiting in the wings for his first team break for a couple of seasons.

GERRY McELHINNEY—(*Defender*) Signed from Distillery at the beginning of the 80/81 season, a former Gaelic footballer and amateur boxer, who made his debut for the Wanderers soon after signing. An Aggressive, enthusiastic defender who just failed to make the Northern Ireland Cup squad.

RAY DEAKIN—(*Defender*) A left-fullback who can also play in midfield, Ray joined the Wanderers in the summer of 1982 on a free transfer from Port Vale. Began his career with Everton.

PETER VALENTINE—(*Defender*) Peter exchanged places during the summer with former Wanderers' skipper Paul Jones who joined Huddersfield. Crossing the Pennines brought a fresh challenge for the promising young central defender.

BRAIN BORROWS—(*Defender/midfield*) A regular full back berth at Everton in the First Division brought Brian to the attention of a number of clubs last season, Wanderers stepping in just before the transfer deadline, signing the Liverpool youngster for a modest fee. Eight appearances last season in Bolton colours were all in midfield showing the versatility of this promising young player.

WARREN JOYCE—(*Midfield*) Son of club coach Walter, the former Blackburn and Burnley defender, Warren got his chance in midfield last season. A county cricketer at colts level and a rugby union schoolboy tourist makes Warren an all-round sportsman.

STEVE THOMPSON—(*Midfield*) Three appearances all away from home, was Steve's taste of first team action last season. Operates wide in Midfield but likes to home in on goal with his powerful shooting.

NEIL REDFEARN—(*Midfield*) It was impossible to ignore Neil's talent last season and when John McGovern was looking for someone to slot into his own midfield position when he was injured, Neil got the job making his debut, still only 17, at Rotherham. Enthusiastic and packing a fierce shot, Neil made 10 first team appearances last season.

JEFF CHANDLER—(*Striker*) A livewire winger with an abundance of skill and control. Jeff cost Wanderers a modest £40,000 when he signed from Leeds United in October 1981. The Hammersmith born lad, who began his League career with Blackpool has won International recognition with the Republic of Ireland.

WAYNE FOSTER—(*Striker*) A former local schoolboy, Foster came onto the Wanderers' scene in the 1981/82 season and commanded a regular place in the attack. Recognised at representative level he got his first England Youth cap in Scotland in a European Championship qualifier.

TONY CALDWELL—(*Striker*) Record breaking scoring feats in Non-League football meant Tony was sure to attract attention sooner or later from one of the North West League clubs. Bolton moved in and signed the self-employed electrician on part-time professional terms from Horwich R.M.I.

Front Row. Charlie Wright (*Coach*) Jeff Chandler, Steve Saunders, John McGovern (*Player/Manager*) Ray Deakin, Simon Rudge, Peter Nightingale (*Physio*).

Middle Row. Warren Joyce, Neil Redfearn, Steve Thompson, Tony Caldwell, Eric Snookes, Wayne Foster.

Back Row. Brian Borrows, Neil Berry, John Platt, Simon Farnworth, Gerry McElhinney, Peter Valentine.

LITTLE AT LARGE

"HERE' HOPING WE LAY THE BOGEY!"

It is always nice to hear news of former Argyle players and even more so when they drop in at Home Park – sometimes unexpectedly.

A recent surprise visitor was former inside forward Peter Kearns who played for us in the days of Jack Rowley's managerial reign.

Peter, who now lives with his Plymothian wife in Weymouth, was at the Oxford United home match and was pleased to see his old team win in John Hore's first match as manager.

He was quite a pal of Oxford's manager, Jim Smith, having played together with him prior to the latter's entry into the managerial side of the game.

Peter met old playing pal Eric Davis at the match and saw another ex-playing colleague Peter Anderson the night before the match but missed Neil Dougall who was away on holiday.

Ian Porterfield, Sheffield United's manager, was reminiscing after our last home match about the 1973 F.A Cup Final win by Sunderland over hot favourites Leeds United. Ian, of course, scored the winning goal and a member of the Sunderland side that day was Micky Horswill who has certainly moved about a lot since he left us.

Still only 29 years of age, Micky signed for 2nd Division Carlisle United on return from Hong Kong at the start of the season but now has signed non contract terms for Barrow.

Horswill made his debut in the 2 – 0 home win over Horwich watched by just 1,103, a paltry crowd compared with some of the crowds Micky has played before. Ian Porterfield, by the way, seems well satisfied with our ex-striker Mike Trusson who, unfortunately, missed the game at Home Park a fortnight ago. I was able to tell Ian that he had been strongly recommended to us by a Scottish scout of ours way back in 1966. He was playing for Raith Rovers then. He was snapped up by Sunderland for a £40,000 fee.

Our former chief coach, Alan Brown, was the manager at Sunderland then. A strong disciplinarian but a brilliant coach. Alan was also manager at the same time as Martin Harvey was at Sunderland and another former Argyle manager, Billy Bingham.

The Sheffield press say that Ian Porterfield has lost interest in signing another ex-Argyle player, Billy Rafferty, "enquiries into Rafferty's fitness – he has not played at all this season – seems to have persuaded manager Porterfield to look elsewhere for strike force recruitment", says the Sheffield sports paper.

One ex-Argyle player, doubtless pleased with our F.A. Cup 1st Round Draw at Southend on 19th November is ex-skipper of the 1959 promotion team, Len Casey. Len, a Londoner who we signed from Chelsea along with fullback Wally Bellett is a regular at our matches at Southend.

Our record there is certainly a poor one, they seem to be a bogey team for us. However, one could say the same about Port Vale and Hull City and we have won there in recent weeks. So here's hoping we lay the bogey! I'm taking no chances however. In my eighteen years at Home Park I have been to Southend four times and seen us beaten four times.

So, with the Reserves at Frome that day, I will stay home and watch the box with my fingers crossed for at least a draw!

"In my opinion..."

by Derek Henderson

The Wind of Change . . .

Has the game really changed, I was asked the other day? You bet your sweet life it's changed and while there are exciting games in any era, I cannot in all honesty put my hand on my heart and say it's all been for the better.

It's changed when fewer than 14,000 people go through the turnstiles at Molineux to see a First Division derby between Wolverhampton Wanderers and Aston Villa.

It's changed when many of the moves go further and further back and the ball ends up in the goalkeeper's arms and with monotonous regularity.

It's changed when two of our leading international players vouchsafe that £50,000 a year is not enough. Where are we going?

The television men put a brave face on it when Wolves and Villa fought out a rather ordinary, routine sort of game. Villa were tired after their trip to Moscow in midweek. Wolves looked what they are – half a team by First Division standards.

Perhaps in hindsight it was a bad game to choose for only the second live televised match. Derbies are notoriously insular affairs and don't usually make for wide interest.

Even my old friend Ian St John put his foot in it. "Wolves' players in the past were always six-footers," he said. Johnny Hancocks (five-feet-nothing), Peter Broadbent, Billy Wright, Bill Shorthouse, Norman Deeley (a 'tacker' as we say in these parts). . . . Six footers?

I lost count of the number of times the ball went back to the respective goalkeepers. Not exactly riveting stuff for the millions of uncommitted.

The back-pass has become an opt-out, not a necessity under pressure. When Villa kicked off the second half, the ball went from Withe to the midfield man behind him, across to the right and from thence to the goalkeeper. He punted the ball downfield to the centre-circle.

So in one move, without an opponent touching the ball, Villa went from possession to a 50-50 ball through the goalkeeper's clearance. Is that what they coach them all week on training grounds?

Messrs Mariner and Wark point out that Messrs Robson, Keegan, Wilkins and others are getting more money and why shouldn't they? But why should they? Aren't they getting what Ipswich can afford?

Maybe it's a short life. But wouldn't most of us prefer a short life at £50,000 a year and then take what comes, rather than a long humdrum life at just over a tenth of that annual wage?

Yes, the game's changed all right. What worries me is that you have to search to find the things that are BETTER about it.

"WELL DONE ARGYLE SUPPORTERS!"

71, Britannia Road, Kettering, Northants, NN16 9RY

Dear Secretary,

I am a Hull City supporter, and am writing this letter to show how impressed I was by your team's supporters upon their recent visit. For the record I travel to Boothferry Park, or any away match, and I have often been praised by my own team's supporters, and also other people.

I have nothing but praise for your supporters including the twenty people who had made the long trip and got on my train at Doncaster. There was no hint of ill comment or gesture. But the best thing was at Sheffield when, on the return journey, three Plymouth fans caught the same train as me, got off at Derby, and were not due back in Plymouth until 2.10 in the morning. Even though I was on my own, and there were three opposition supporters, there was no malice, and we talked about football all the way to Derby.

One of the three concerned had missed the game, having travelled all the way up, but not having reached Hull until the end of the match.

I would hope that when I come down to Home Park, I will have the pleasure to see other gestures of goodwill, and genuine football supporters.

I hope that this letter can be printed in your next home programme. Perhaps, the three people on the 2035 train from Sheffield, who got off at Derby, could then realise how much they were appreciated, and possibly, they could get in touch with me.

Hopefully, both teams will be up where it matters on May 12th, 1984.

Good luck for the rest of the season.

Yours sincerely,
Tim Bentley.

P.S. Congratulations for the 2-1 win at Boothferry Park. I was impressed with Plymouth as a team.

P.S. I am delighted to give this letter 'pride of place'. Well done lads and thank you Tim Bentley.
Editor.

Jeremy Wills, Plymouth Argyle Supporters' Association, Lancashire writes . . .

"ARGYLE'S BOUGHT AND SOLD DEPARTMENT"

In this, the 80th year of Plymouth Argyle's life, it is interesting to note that no less than 594 players have worn a first team shirt in a League match. When one breaks this down in terms of those League clubs with whom Argyle have done business it makes fascinating reading. For instance, Argyle have never signed a player, who has subsequently played for the first team, from Notts County, Wrexham or Wimbledon. Neither have they ever sold a player to any of these clubs, which is ironic when you remember that Notts County have been continuous members of the Football League since its formation in 1888! Other clubs from whom Argyle have never signed a player include Shrewsbury, Huddersfield, Wigan, Lincoln, Peterborough, Aldershot, Halifax, Hartlepool and Rochdale, the majority of whom can hardly be considered amongst the fashionable clubs! The clubs from whom Argyle have signed most players, who have gone on to play in the first team, are Manchester Utd, Arsenal, Everton and Coventry (11 players from each) with Bolton, Burnley and Bury (10 players each) – a distinctly Lancashire flavour here!

In the selling operation Argyle have never transferred a player to West Ham, Leicester City, Sheffield Wednesday, Doncaster or Darlington. The most prolific buyers have been, not surprisingly, Exeter City (32 players) and Torquay United (22 players). Others include Southend United (11) and the two Bristol neighbours Rovers (10) and City (9).

Well you can't accuse Argyle of not shopping at the top clubs, though there will always be arguments as to the pros and cons of each transaction! With all these comings and goings it is no wonder the Club Secretary is a busy man. It also makes you wonder how on earth, in the early days, people like Bob Jack used to find time to combine the jobs of Manager AND Secretary!

I must reiterate that these figures cover only those players who have actually appeared in Argyle's first team. They do not include numerous others who have passed on to other clubs before receiving a first team call-up.

“ARGYLE WIN HELPS LOCAL BOYS’ CLUB”

Our victory at Boothferry Park, Hull on Saturday 22nd October not only produced a valuable three points, it brought an extra and unexpected bonus for the members of the Prince Rock Youth Club.

A panel of the game's top managers, chaired by England's Bobby Robson, decided that the 2-1 win – until then Hull had conceded only two goals at home – merited the FIAT performance of the Week Award. Each winning soccer club nominates a boys' club to receive the Fiat award which consists of a cheque for £250 and a complete set of football team strip. We have chosen Prince Rock Youth Club to benefit and the boys will accept the money and kit from Martin Grimmer of local Fiat dealership, Kastner of Plymouth Ltd, before today's match against Bolton Wanderers.

Fiat are closely linked with Juventus, the famous Italian club and they believe strongly in close ties between football clubs and their local communities:

“This promotion achieves that objective very effectively,” says Peter Quaglia, Managing Director of Fiat Auto (U.K.) Ltd, “and we are proud to be part of it.”

So far this year Fiat, who run the award in conjunction with the Football League Executive Staffs' Association, have donated more than £20,000 to Boys' Clubs and the performance Awards will bring another £30,000 by the end of the season.

The panel of judges, in addition to Bobby Robson, is made up by Ron Atkinson (Manchester United), Keith Burkinshaw (Tottenham Hotspur), Arthur Cox (Newcastle United), David Pleat (Luton Town) and Bruce Rioch (Torquay United).

Our thanks from Plymouth Argyle and Prince Rock Youth Club to Kastner of Plymouth Ltd and Fiat.

Colin Bateman

PLYMOUTH became the unlucky victims of Charlie Nicholas's frustration at Highbury last night.

Nicholas, without a goal in his first six home matches for Arsenal, missed the sort of chances in the first half that suggested it could be Christmas before he breaks his luck.

So, with the crowd baying for him to score, Nicholas dropped off Plymouth's padlocked defence and set up the goal that checked the Pilgrims' progress towards the Milk Cup third round. **Daily Express** 26.10.83

Harry Harris

CHARLIE NICHOLAS urgently needed to score last night to avoid the indignity of amassing 10½ hours of football at Highbury without a goal.

But the £650,000 Scottish international found it just as tough to penetrate the defensive blockade of Third Division Plymouth as any First Division side he has faced so far.

Against a plucky Plymouth team hoping to catch Arsenal out on the break, it required Alan Sunderland's fourth goal of the season to spare Arsenal's blushes.

Daily Mail 26.10.83

'They were one of the most positive sides who have been here' — 'They played well and with a lot of spirit ... they worked exceptionally hard and had us playing at a high pace' — NEILL, Arsenal manager.

'We knew we had to play it tight ... in the end I thought it was going to go into extra time' — HORE, Argyle manager.

Graham Hambly

PLYMOUTH ARGYLE'S Milk Cup ambitions ended with a 1-0 defeat at Highbury last night, but Argyle went down with a spirited display and came within an ace of taking Arsenal into extra time.

Only a vital save by Pat Jennings prevented substitute Ian Pearson from snatching a dramatic late equaliser after Ian Sunderland had given Arsenal the lead two minutes before the interval.

So Arsenal's win on the night in this second leg tie was sufficient to put them into the third round by 2-1 on aggregate. **WE Herald** 26.10.83

The Canon Touch

Welcome to the Canon League.

This exciting new venture in British sporting history is well under way. It brings a new dimension to football.

In sporting history, Britain will be remembered for creating football, one of the most exciting and popular sports in the world.

With its international status, Britain's national sport now boasts a partnership with one of the world's leading manufacturers of cameras and business machines.

Canon has a long-standing tradition of involvement with the international sporting community – backed by a well-earned reputation for quality and reliability as a manufacturer of cameras and copiers.

Canon expertise in precision optics and electronics extends to other areas as well: Calculators, Copyphones, Computers, Typewriters and Micrographics.

Canon products are designed to make work more productive and leisure more exciting! The Canon tradition coupled with the excitement of football – a winning combination!

We hope you enjoy today's game.
